I am thankful for the liberal patronage extended to me during my fitten years' residence in Memphis, and my aim will be to merit its continuance. ESTABLISHED 1841.

OUR aim has been to keep pace with our growing city, and furnish these who want Goods in our line with good articles, and at fair prices. Our assertment, for years, has been but little if any behind our Rastern cities. It is more extensive this season than ever. Our leading branches are, dirst— WATCHES, Of which we have every variety in general use, together with a large assortment made to our order, which for neatness of style and time-keeping, are surpassed by none. In our assortment will be found the Eight Day Watch and the Repeating Obronometer, giving the time to a minute in the dark. JEWELRY.

Our assortment in this important branch is kept full by frequent receipts of all the new styles, whether of foreign or domestic production. GUNS, GUNS.

The latest and by far the most important improvement in Photography is the recently patented picture known as the SPHEREOTTPE, which is not only new and unlike any of its producesors, but greatly superior to all. The Sphereotype is proof against TIME, AIR and WATER, and for richness of tone, warmth o expression and distinctions has to equal—in fact the if usion is such that the picture, or image, seems suspend-ed in air, entirely independent of the back ground. For this picture we have the exclusive right for Mem-phis. Specimens can be seen in our Gallery, where pictures are also taken in the various style; by our Artist, PROF.
